

# Medical Bags

## Equipment Covers

Keep critical equipment and instruments clean and dry during storage and transit. Our convenient rolls, in individual cartons, eliminate waste and assure clean, neat bags one at a time as needed. Racks to hold up to three rolls are also available. Home Medical Equipment dealers and hospitals will satisfy JCAHO recommendations for covering cleaned equipment between uses. Tinted bags are available in several sizes to designate dirty equipment. Other sizes, custom bags and printing are also available.
